*“Sharing Christ’s Healing in Medically Underserved Communities”*

February 2018

### From Our Executive Director

**“And his tender mercies are over all his works”  
Psalm 145:9b**

Nowhere is that Mercy more evident than in the journey of our Lord toward the Cross. He sets His face like flint and unwaveringly goes to Golgotha. Mercy is necessary to living; mercy makes all the difference in the world; mercy daily turns sin to grace, evil to good, and death to life. As His children, we are called to pour those tender mercies out upon others.

Thanks to each of you and to grants from the Lutheran Church Missouri Synod and Concordia Lutheran Ministries Foundation/Angel Tear Ministries, LIMM is able to reach across oceans. Last year, God enabled us to provide community health education (CHE) training, support health education programs and projects, fund feeding programs and send medical professionals/parish nurses on trips to underserved areas. We are grateful for every single dollar and for every single prayer and word of encouragement we have received. Your tender mercies poured upon LIMM enable us to pour them forth upon others. Thank You!

We are especially excited that this month the wives of seminarians in Togo, West Africa will take part in a “Women’s Cycle of Life” seminar, presented by LCMS medical missionaries Stephanie Schulte, Sarah Kanoy and Molly Christensen. More CHE projects are scheduled in West Africa this summer and God willing, new ones will soon be taking place in other countries.

At our Board Meeting in April, we will be looking into additional avenues of mercy, including nutritional help for mothers and children, vaccination programs in orphanages in Kenya, Honduras and Peru, ongoing CHE programs in Cambodia, new CHE trainings in Latin America, and online CHE training modules. Some of these are big dreams, but we have a great big God, whose great big heart overflows with mercy!

May God Bless your Lenten Journey,

*Rita*
