FOR UNTO US A CHILD IS BORN. UNTO US A SON IS GIVEN.

Dear Friend in Christ,

As we approach the joyous celebration of Christmas, we reflect on the incredible gift of Jesus Christ—the ultimate Healer—who came into this world to bring hope, healing, and salvation to all. His light shines through acts of compassion, care, and service, and we are blessed to be His hands and feet in delivering medical care to those in need.

This year, Lutherans in Medical Missions (LIMM) has been privileged to serve communities worldwide, sharing the love of Christ through medical outreach. From providing essential healthcare in underserved areas to equipping local leaders with tools for sustainable care, your partnership has enabled us to extend healing and hope to countless lives.

Here's just a glimpse of the impact your generosity has made possible:

- **Medical Outreach:** Hundreds of patients in rural clinics received critical care, medications, and health education.
- **Training and Empowerment:** We equipped local church leaders with skills to offer ongoing health education and spiritual care in their communities.
- **Global Reach:** Partnerships in Africa, Latin America, and Asia have allowed us to share the Gospel while meeting physical needs.

As we look ahead to 2024, the need is great, and our mission continues. We are prayerfully planning new initiatives, including mobile medical clinics, expanded training programs, and increased support for local health ministries. But we cannot do this without you.

This Christmas, we invite you to join us in bringing Christ's healing to those who desperately need it. Your gift of:

- **\$50** could provide basic medical supplies for a clinic.
- **\$100** could support health education materials for an entire community.
- **\$500** could sponsor a medical mission team, bringing both care and the Gospel to remote areas.

Every dollar you give will be used to meet physical needs while sharing the Good News of Jesus. Will you help us continue this life-changing work? Together, we can shine Christ's light into the darkness and offer hope to the hurting. You can make your tax-deductible gift today by visiting our website at www.limm.org or by sending a check to: **Lutherans in Medical Missions, PO Box 766, Concordia, MO 64020**

Thank you for your prayers, your generosity, and your partnership in this mission. May the peace and joy of Christ fill your heart this Christmas and always.

In His service,

Sharon Thomas, Executive Director
