

Dec. 5, 2025

Dear Friends in Christ,

Grace and peace to you from our Lord and Savior, Jesus Christ.

Throughout history, Lutherans have answered Christ's call to love our neighbors by providing compassionate care to those in need. Today, the need for medical mission work is greater than ever. Across the globe, countless communities lack access to basic healthcare, face preventable illness and needless suffering without adequate support. As followers of Christ and stewards of His healing ministry, we are uniquely called to respond.

We invite you to join hands with us in supporting Lutheran medical missions. The organizations we partner with work tirelessly to deliver essential medical care, health education, and spiritual encouragement to underserved populations. Together they treat disease, train local healthcare workers, and share the message of God's love through both word and deed. Mary DaMers, who serves in Mexico, recently wrote to us saying,

"The people here give thanks to God for our efforts. A man last Saturday said, 'Only God could have sent you. No one has ever cared for us before. Your heart makes this so much easier.' Once again, a very huge thank you to the donors of LIMM. Each one is the unseen presence in the homes and in our clinic locations. Each one sustains us through power of the Holy Spirit."

Your partnership makes this work possible. Your generosity helps send medical teams to areas of critical need, supplies life-saving medicines and equipment, and supports sustainable healthcare initiatives that empower local communities for long-term impact.

Here's how you can help make a difference:

- **Pray:** Lift up our medical missionaries, the people they serve, and all those who are suffering or in need of healing. Ask God how you can make a difference.
- **Give:** Your financial gifts support medical supplies, equipment, team travel, and training programs that equip local healthcare leaders.

Every prayer offered and every gift given shares the healing touch of Christ with those who need it most. Together, as Lutherans united in mission, we bring hope, health, and the saving Gospel of Jesus Christ to the farthest corners of the world.

For more information or to learn how you can become involved, please contact our mission office or visit our website at <https://LIMM.org>

Thank you for your faithful partnership in this vital ministry. May God richly bless you as you serve Him by serving others.

We pray that you have a very blessed Christmas!

In Christ's Service,
Sharon Thomas, Executive Director
Lutherans in Medical Missions
